SUBJECT: Installation of One Additional Street Light and one suspension light in Madadi Town

***

I have the honour to state that the Municipal Council Madadi have at their meeting held on 23 11 1950 resolved to instal an Additional Street light and a suspension light of 400 C P and to meet the annual royalty at Rs. 67 8 0 towards the same from out of the Municipal Funds

The suspension light is to be fixed in the Bus Stand in place of the existing street light and the additional street light is proposed to be installed in the New Extension near the Electrical Colony The existing light in the Bus Stand will also be shifted to the said new Extension

The proposal of the Municipal Council to provide two lights to the New Extension will thus be satisfied and also the Bus Stand will have a more illuminating light for the safety of the traff

The Financial position of the Municipality permits the above extra inevitable expenditure

In the circumstances I request that sanction of Government may kindly be accorded for the installation of an addition street light and a suspension light in Madadi Town Municipality at a Royalty of Rs. 67 8 0 per year as proposed by the Municipality

The connected papers accompany

Yours faithfully,

DEPUTY COMMISSIONER
